Risk & Attention

Overdue requests

Under Article 12(3) GDPR, you may extend the response period by up to two months where necessary, taking into account the complexity and number of requests. You must inform the data subject of any such extension within one month of receipt, together with the reasons for the delay.

No open incidents.

Record counts

RoPA: 1
Requests: 2
Incidents: 1
Documents: 1

Record of Processing Activities (RoPA)

Article 30 GDPR — A list of the ways your organisation uses personal data.

1 record

Data use	Lawful basis	Retention	Recipients	Intl?	Region	Last reviewed	Suppliers
Customer Enquiries & Contact Forms	Legitimate interests	up to 12 months after last contact	2 recipients	No	—	18 Feb 2026	Google Cloud Providers

Data Subject Requests (Articles 12–23 GDPR)

Requests to access, correct, or delete personal data.

2 open • 1 overdue

Received	Type	Who	Reply by	Late?
ID?	Sent?	Extension	Note	
04 Feb 2026	Correct my data	customer_id: 012345	06 Mar 2026	No
—	No	No	—	
01 Jan 2026	Access my data	customer_id: 777	31 Jan 2026	Yes
—	No	No	They need their data	

Response deadlines apply under Articles 12–15. Extensions must be justified and the data subject informed; ensure extension rationale is logged.

Security Incidents & Personal Data Breaches (Articles 33–34 GDPR)

Incidents that could affect personal data.

Incidents logged: 1 · Open: 0

Where notification is required, GDPR requires notification without undue delay and, where feasible, within 72 hours of becoming aware of the breach.

Found on	Summary	Severity	Status	DPC?	Rationale if not
16 Feb 2026	email send to wrong customer	Low	Closed	No	—

Accountability & Supporting Documents (Article 24 GDPR)

Policies and documents that support GDPR accountability.
